P Plate Piano

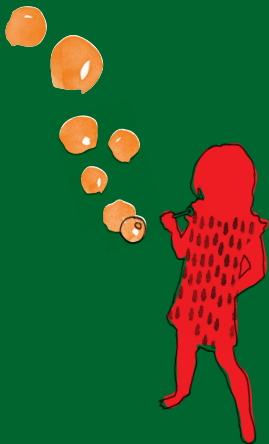

P Plate Piano comprises a series of three bright, colourful piano books for beginner pianists who have completed their first tutor.

The books are designed to complement the teacher's existing teaching methods and provide perfect preparation for AMEB Preliminary Piano or Preliminary Piano for Leisure.

The books feature stunning artwork, fun activities and informative text written by nationally respected music educator, Elissa Milne.

An optional non-graded assessment, with written feedback provided by an AMEB examiner, is available when students complete each book.
