Performance Evaluation Program (Speech)

The Performance Evaluation Program in Speech (PEPS) is a service available to any person seeking an independent evaluation of their speech performance. This program enables a candidate to have their prepared materials evaluated by a professional AMEB examiner and to receive a constructive written report. It provides an independent benchmark against which to measure progress and an opportunity to perform to a receptive listener. In this respect it is suitable for all standards, grades and levels.

No pass or fail is awarded and a Performance Evaluation Certificate is issued to all candidates.

Aim

A Speech Performance Evaluation enables candidates to choose their own material. It allows them to mix and match syllabus content from different grades and categories in order that they may present with less anxiety and pressure.

Eligibility

A Speech Performance Evaluation is open to all persons - beginners, advanced students, teachers, those with special needs.

Syllabuses

Material for a Speech Performance Evaluation may be drawn from the Drama and Performance syllabus and the Voice and Communication syllabus, both of which are included in the current AMEB Manual of Syllabuses - Speech.

Choice of material

Two different PEPS enrolments are offered.

PEPS 1 is available to candidates at AMEB examination Level 1 (Preliminary to Grade 3). Any material from these grades and from either syllabus can be chosen and combined at the discretion of the candidate. Presentation should last between 10 to 12 minutes in total.

PEPS 2 is available to candidates at AMEB examination Level 2 and Level 3 (Grade 4 to Diploma). Any material from these grades and from either syllabus can be chosen and combined at the candidate's discretion. Presentation should last between 20 to 25 minutes in total.

Time will be allowed within the evaluation for a brief dialogue about the objectives in entering and the program presented.

Dates

For details of enrolment and examination dates please refer to the current AMEB(WA) schedule of examinations or contact the State Office. Speech Performance Evaluation is offered during the advertised examination sessions for speech.
