

## FLUTE INDUCTION TESTS

Flute Induction Tests offered by AMEB(WA) are intended as introductory examination experiences for young students. They are especially designed for beginners as a means of getting them accustomed to external examinations. The tests give preparatory exam experiences before the normal graded examinations offered through the AMEB Manual of Syllabuses.

Candidates may choose either test that suits their level of preparation (FIT 1 or FIT 2). Alternatively, they may do them both in sequence over a time frame that matches their rate of learning.

A written report will be provided. It will identify strengths and weaknesses in Technical Work, Pieces and Aural Tests, and include a general comment about progress.

No pass or fail grade will be awarded.

A certificate will be issued to all participants.

Please contact the office for enrolment information.
